Dear Jenkins Jaguar Families,

I would like to welcome you and our students to the 2022- 2023 school year! I am excited for you to meet our new Assistant Principal, Mrs. Casandra Stephenson. She is a wonderful asset to our school community. Even with our earlier start this year, I hope our students have used some of their time away to relax, recharge and get ready to embrace the upcoming school year. We look forward to you joining us for our Welcome Back Block Party on Thursday, August 25<sup>th</sup> from 4-7 pm. That evening you will be able to meet your child's teacher and have some fun outside with us. Please dress for the weather and plan to join us that evening! All of us at Jenkins Elementary look forward to seeing our students for the first day of school on Monday, August 29<sup>th</sup> when our doors open to welcome our students back to high quality learning. I hope you are as excited about this return as I am to welcome our students back. At my core, I find Jenkins Elementary to be an amazing learning community, powered by an amazing team of staff who really care about children. Our teachers are welcoming and they are dedicated to ensuring that your student receives the best education possible. Our school theme this year is titled "Level Up! Where There is a Will, there is a Way!" This will guide our work this year with your children as we do all we can to ensure students are leveling up, or growing both academically, behaviorally and socially. All Jenkins students will be leveling up or growing this year both in and out of the classroom as our staff and community partners will support this endeavor this school year. We look forward to being together again in person and getting to know your student(s) and your family this year. Please know we are here to support you, so do not hesitate to reach out. I am excited to begin another year together and know that this will be our best year yet because at Jenkins we will all Level Up, Where There is a Will, there is a Way!

Fondly your Principal,

Mrs. Stewart
